UX/UI Managing Stakeholders Project Management Skill for Leaders

FLORIDA ATLANTIC UNIVERSITY: Bachelor of Interdisciplinary Studies

Boca Raton, FL - 2020

PROJECTS

Zen Path | [LIVE](#) | [REPO](#)

- Developed a meditation website with progressive levels of complexity utilizing **Javascript, React, MongoDB** and **AI**.
- Integration of **AI** and **Google Authentication (GCP)** to enhance user experience and provide personalized recommendations.
- Built a well-rounded backend infrastructure to provide website performance and reliability.

Toonflix [LIVE](#) | [REPO](#)

- Developed a Netflix-inspired application with **Javascript, React, CSS/HTML, Firestore** for database
- Styled using **React-Bootstrap** component library.

Form Reader Built with A.I. [REPO](#)

- Created a form reader with **A.I.** built in that reads documents. Utilized **Azure** to set up the form recognizer.

WORK EXPERIENCE

Boca Code UX/UI Project Coordinator Internship

Boca Raton, FL

Project Coordinator - UX/UI Designer

March 2023 – Present

- Manage and coordinate **2** projects with the UX/UI - Engineering team, including the redesign of the candidates page for Boca Code's mobile version and a CRM for a company connecting investors with startups.
- Facilitating team meetings, utilizing Kanban board, and implementing Jira board as an agile project management tool to streamline tasks and improve efficiency.
- Implemented a sprint-based approach, resulting in a **significant** increase in on-time delivery compared to previous projects.
- Completed my first sprint with a great team of interns resulting in adding an upgrade tier feature and a profile page to update email and password to be able to see basic information on a user's account.

OWNER TO OWNER INC.

West Palm Beach, FL

Aircraft Service Support Technician

January 2019 – April 2022

- Conducted walkthrough with **10+** parties each with **3-4** stakeholders, offering detailed descriptions of the aircraft and accurately answering all inquiries. This effort resulted in the successful sale of the aircrafts at **5%** increase than initial listing.
- Managed **20+** client inquiries regarding sales and effectively closed **5** aircraft sales, resulting in **\$7** million in revenue.
- Produced documents for stakeholders utilizing designated formats and delivering information in a confidential manner.

ST. CLARE SCHOOL

North Palm Beach, FL

IT Assistant

July 2016 – September 2019

- Successfully deployed **200+** iPads to students, with each tablet configured with security measures, firewalls and applications developed to provide essential learning materials for students, resulting in improved digital literacy.
- Provided technical support to **40+** staff on instructional technologies with a **90%** resolution rate, boosting staff productivity.
- Managed inventory of **400+** technology assets, accurately tracked using Google Spreadsheets to streamline the process.
- Strengthened students with ASD as an Autism Paraprofessional, fostering a positive and personalized learning environment.
